COMPACT OUTDOOR FLOOD RGB IP65

THE VERSALIGHT LED RANGE OF PRODUCTS IS A COST EFFECTIVE RANGE OF MULTI-PURPOSE LED BASED PRODUCTS.

VERSALIGHT COMPACT OUTDOOR FLOOD RGB : SF-LW363 RGB

Multipurpose IP Rated wash light that is suited for both installation and staging applications where a degree of weatherproofness is needed.

The Compact Outdoor Flood RGB uses 1 watt High power LED's with a lens in front each LED for maximum output. This configuration gives out a powerful soft edge wash with smooth and even dimming to create a wide range of colours from saturated to pastel.

All from a very compact fanless package, the unit can be used in both standalone mode or via the DMX512 Protocol and is equipped with 3 pin XLR connectors.

A 7 segment display screen makes setup and control very easy. All units come with a pre-moulded 15A South African Plug top.

APPLICATION :

ENTERTAINMENT LIGHTING - THEATRE - STAGING - TV & FILM INDUSTRY
